Dear Hope,

Although Marge & I won't be able to make the 30<sup>th</sup> Anniversary Celebration, we are impressed and gratified by how far the LCCF/CFP has come in its first three decades. We are sorry we can't attend, but the combination of our move to Minnesota and our ages makes further trips to Lawrence County unlikely. I remember fondly attending the 20<sup>th</sup> and 25<sup>th</sup> anniversary celebrations.

The website demonstrates how the organization is realizing its initial promise. The founding board intended that LCCF's reach should be county-wide, and include the smaller communities. It is nice to see that happening, and how it serving both youth and the elderly. I enjoyed reading about the Springville Park and seeing the recognition of Web Dollens in your recent mailing. I am also pleased to see the continuity in staff leadership, which has undoubtedly contributed greatly to the organization's success.

We will be sending a donation for your further work. May God continue to bless LCCF/CFP in serving the people of Lawrence County.

Sincerely,
