Mayor's Welcome

I invite all our citizens and visitors to join with the festival committee and enjoy the 77th Persimmon Festival. This year will bring a new carnival and a different downtown layout. Chairwomen Aimee Phillips, co-chairs Bryan Fountain, Katie Houchin and many volunteers have labored hard and long to make this another great Mitchell memory. There is a song that proclaims that Christmas is the best time of the year. Here in Mitchell, we also celebrate the Persimmon Festival as the best time of the year. Come and join us in our wonderful persimmon tradition. May all your persimmons be ready and your lives joyous.

Welcome

I would like to welcome you to our Persimmon Festival! This is the 77th year of our annual festival and we are glad you are here. The festival is held each year with many volunteers and organizations. The Mitchell Chamber of Commerce works year after year to bring a top notch festival. We could not have this grand festival each year if it were not for the generous amounts of time and donations that come from our dear citizens.

This year's festival theme is "Home Is Where The Persimmon Is." I remember graduating from Mitchell High School and being proud to tell my friends at Indiana State University that I was from Mitchell. I would load up my car every year with friends to bring them home to enjoy our festival. To me, this is the meaning of my theme. Home is Mitchell and Mitchell is the Persimmon Festival.

I have loved the Persimmon Festival my whole life. I have loved going up town and watching the carnival come together on Saturday and then watching it come down the following Saturday night. I have always wanted to be a part of the Persimmon Festival and I was elated when asked to join the committee. This committee works tirelessly year after year to bring you the best we have to offer. I hope that you can be as proud of our little town for this event each year just as I am. I would like to thank you for joining us this year at the 77th Annual Mitchell Persimmon Festival!

GRAND MARSHAL

Larry "Bamm" Caudell

Larry has been honored as the Grand Marshal of the 77th Persimmon Festival in Mitchell. A lifelong resident of Mitchell, Larry is a proud 1973 graduate of Mitchell High School. Although he briefly attended college, he returned home after just two weeks, feeling he had gained all the life knowledge he needed. Larry has dedicated 47 years of his life to his community, working for Lehigh and serving as a past fire chief for the Mitchell Fire Department.

Larry's deep commitment to the Persimmon Festival is well-known, having served as the 2018 Festival Chairman and Co-Chair of the 75th festival. His behind-the-scenes work during September and beyond has been invaluable, ensuring the festival runs smoothly year after year.

Together with his wife, Diana, Larry raised two children in the same neighborhood where he grew up. They now enjoy visits from their four grandchildren at the house once owned by Larry's parents. Known for his extensive knowledge of Mitchell, the Persimmon Festival, and life in general, Larry has been a trusted source of wisdom and guidance for the community and festival organizers.

Please join us in celebrating Larry "Bamm" Caudell as the Grand Marshal of the 77th Persimmon Festival!
