Welcome

I would like to welcome to you our Persimmon Festival! This is the 77th year of our annual festival and we are glad you are here. The festival is held each year with many volunteers and organizations. The Mitchell Chamber of Commerce works year after year to bring a top notch festival. We could not have this grand festival each year if it were not for the generous amounts of time and donations that come from our dear citizens.

This year's festival theme is "Home is Where the Persimmon Is." I remember graduating from Mitchell High School and being proud to tell my friends at Indiana State University that I was from Mitchell. I would load up my car every year with friends to bring them home to enjoy our festival. To me, this is the meaning of my theme. Home is Mitchell and Mitchell is the Persimmon Festival.

I have loved the Persimmon Festival my whole life. I have loved going up town and watching the carnival come together on Saturday and then watching it come down the following Saturday night. I have always wanted to be a part of the Persimmon Festival and I was elated when asked to join the committee. This committee works tirelessly year after year to bring you the best we have to offer. I hope that you can be as proud of our little town for this event each year just as I am. I would like to thank you for joining us this year at the 77th Annual Mitchell Persimmon Festival!
