

Mobile lung screening is now available in your community.

Smokers and former smokers that have quit in the last 15 years may be eligible.

Lung screening is covered by insurance including Medicare and Medicaid if you meet the eligibility requirements listed below.

The scan takes 3D images of your lungs using a small amount of radiation and requires no needles, no special diet and no change of clothes. Lung cancer is the leading cause of cancer-related deaths for Hoosiers and typically does not cause any symptoms in the early stages.

May 13, 2025

9:30 am – 4 pm

The Solutions Center

1490 W. Main St.

Mitchell, IN 47446

- Lung screening eligibility requirements (must meet both):
- Between the ages of 50 – 77 AND history of 20-pack year smoking
