

Lawrence County Coalition Against Domestic Violence Purple Pumpkin Project 2025

Purpose

The Purple Pumpkin is a symbol of support for survivors of domestic violence and a way to raise awareness in our community. By displaying one, you help spread hope and show solidarity with those affected.

Note: This year's pumpkins are not real pumpkins — they are decorated wood cutouts that can be displayed by hanging or on a stand we will provide.

Project Details

- Display Duration: October 1–31
- Placement: Please place in a highly visible location (entrance, checkout, or front window).
- Information Card: Provided with your pumpkin to explain its meaning and list resources.
- Delivery Dates: September 25–30 (Mitchell and Bedford areas)
- Businesses are encouraged to purchase a pumpkin to display but may choose to display a pumpkin sponsored by a community member.
