

New year, new connections health fair

Saturday, Feb. 21 | 10 am – 1 pm | 333 E. Miller Dr., Bloomington, IN

All are welcome to join IU Health Community Health's free, family-friendly open house. Bring your family, meet the our teams and learn about the many programs that support health throughout our community. Stations will include:

Free health screenings

- Public Health: immunizations
- Blood pressure checks
- General wellness screening stations

Maternal, family and child health

- Nurse-Family Partnership
- Safe Sleep education (ABC)
- Infant care and breastfeeding resources
- Milk Bank information and support
- WIC: Healthy snack station

Child safety and development

- Safety program:
 - Free bike helmets for kids
 - Car seat education
- Coordinated School Health: Fun kids' activity/game
- Tobacco Prevention: Interactive "Why Not to Smoke?" game
